## *Survivor*

The focus of this program is team work, with the majority of the activities requiring input from the whole group. The activities are based on a "Survivor" theme and include things like shelter construction, **Burma Bridge and Giant Catty**. The Zip Line and King Swing are included for the adventurous members of the group, but participation is optional. Big drums, African masks and our Tribal Council in the forest all add to the atmosphere of the event.

To complete the program the group will be divided into several smaller teams (or Tribes). They will compete over a course of these problem solving challenges to gather the maximum points in the allotted time

Teams are accompanied by an All Out Instructor and the number of activities offered ensure participants remain engaged for the duration of the program.
